

## THE TRINITY CROSS

Whatever religious significance you attach to the “Cross” it is acknowledged to be the universal symbol of suffering.

The Celtic Cross is square shaped and sharp. It has 3 equal arms with a support of greater length – its arms are joined by a circle.

We have adopted for our badge the Celtic Cross. We have rounded all the edges and the circle has become a hole. It is symbolic of the purpose of the “hospice”.

We exist to soften the suffering of those people committed to our care, to smooth the round edges and “to make it comfortable”. The ultimate objective is to take the centre out of suffering, hence the hole.

This cross is presented to members of staff and volunteers who have shown their commitment to the philosophy we embrace and rendered continuous service for a period of one year and five.

***This cross cannot be bought – it is therefore, priceless when earned***
